The Dionysus Wine Club

Dionysus Winery was established in 1998 by Michael and Wendy O'Dea. All wines at Dionysus Winery are made with estate grown fruit. With nine varieties of grapes planted there is a selection of wines to suit everyone. All of the wines are made on site using traditional wine making techniques of hand picked fruit, basket pressing and aging in French Oak barriques.

Our wine club has been designed around wine experiences by offering a range of workshops and activities to suit all people - from party like pre-release tastings to serious vertical tastings of back vintages.

As a member you will receive two six packs of wine automatically each year. We will send an email to you three weeks prior to the delivery so that you can modify your selection if desired.
